Olina's GLUTEN FREE RANGE: Wafer Crackers -- Seeded Toasts -- Seeded Flatbreads

Seeded Toasts

Double-baked and made with premium ingredients. These toasted crackers are full of flavour thanks to the addition of real fruits and seeds.

Wafer Crackers

Much thinner than traditional savoury crackers yet remarkably robust. A subtle taste, lighter texture and altogether different from other crackers on the market.

Seeded Flatbreads and Crackers

Loaded with a blend of wholesome seeds, rolled and baked crisp in small batches for a light and crispy texture. Wheat Free, GMO Free and Egg Free.

From time-honoured recipes, Olina's Bakehouse creates truly delicious artisan crackers. Each variety, including a gluten-free selection, is baked to perfection and distinctively different in both flavour and texture. Many make tasty wholesome snacks, while all give a touch of magic to a tempting platter. Simply add cheese, pate or dips and ENJOY!

Devonly Flavours spice blends have been handmade in Copplestone, Devon using ingredients grown by Down Farm, Winkleigh.

These spice blends are designed to be used on their own as a marinade, or to add to sauces and casseroles to give added flavour.

We love big flavours and are delighted to bring you these versatile spice blends that are preservative free, contain no anti-baking agents, no added sugar and the packaging can go straight into your compost.
