Washborne Cheese - Sharpham
 A firm ewe's milk cheese using the 'washed curd' method which tends to produce cheeses which taste sweeter, as is the case here!
 A rich, complex slightly sweet taste, with a springy texture.

Cornish Kern
 A well-rounded cheese with a good depth of flavour. Rich, nutty, savoury, and smooth! Inspired by Gouda, the use of Alpine style starter cultures encourages the sweet, bright, and nutty flavours to come through.

Just add sunshine!
