NEW

M032 - From the producers of Black Cow Vodka, black cow truckles, this new **Monkey Chop Cheese** – **Lovable Rogue**, is a soft white Camembert style 215g round, made from pasteurised milk in West Dorset with a creamy buttery flavour.

NEW

Once in a while, our Buying Manager gets excited about a new discovery, and this is certainly one of them! **Hollis Mead** is a wholesome, old school, natural dairy on a wild organic farm in west Dorset. Their ethos is simple, they feed their cows purely on grass and wildflowers that are allowed to grow in their fields. The cows are only milked once a day producing pure goodness you can taste!

NEW

Fiona Andrews their Head of Production rolls the butter by hand using traditional methods at 4am! The result is a super light consistency, well balanced salt and delicious melt in the mouth quality that is extremely luxurious. 100% pasture fed cow's milk gives this farmhouse butter an usual creaminess that is almost whipped consistency – completely unique and very delicious!
