Diforti - Pastries Range

A long wooden table that wobbles as dishes are passed from one person to the next. The pucker of a briny, refreshing Nocellara del Belice Olive. An extra grating of Parmigiano over al already-rich pasta. A plate licked clean! Growing up the Diforti family, their most treasured memories are all to do with food and the people who make it. Their heritage is inextricably linked to the Italian table, and it shines through in their products. Today we here at HawkrIDGE are excited to be launching their range of Sicilian mouth watering pastries! Stock lines available now with fantastic margin £.
