## The Contented Cow

Love and attention; that's what it means to be a family dairy farmer.

And that's what sets the cows apart – they're part of the dairy family and so we're devoted to making the girls happy.

Throughout summer they enjoy grazing our lush hilly meadows, and in winter they live in large comfy barns on a rich diet of home-grown maize silage. It's a natural, simple and traditional system which gives our cows regular routines and contented lives.

Hawkridge, a family-run Westcountry business, are proud to work with so many talented and local producers and suppliers and offer a wide range of Award-Winning fresh products to our customers. These are pre-ordered to ensure you get maximum shelf life and the freshest produce, whilst mindful of our environmental commitment to minimising waste and food miles.
